

# Buprenorphine Physician Mentoring

## **Do You Have Concerns or Questions about Prescribing Buprenorphine? Induction? Dosing? Stabilization? Maintenance?**

If you answered 'yes' to any of these, then help is here!

The New York City Department of Health and Mental Hygiene, Bureau of Alcohol & Drug Use Prevention, Care & Treatment is pleased to introduce a new mentoring initiative designed to address your concerns and answer your questions, to support you in your practice.

## **Physician Mentoring Program**

**Free and available to all New York City physicians who have completed the 8-hour buprenorphine training and qualified for a waiver to prescribe buprenorphine.**

### ***HOW DOES IT WORK?***

All you need to do is contact us at [askpbnmd@health.nyc.gov](mailto:askpbnmd@health.nyc.gov) and answer a few questions about your practice. You will then be matched with a mentor physician with experience inducing and maintaining patients on buprenorphine, who will contact you to initiate mentoring.

***Physician Mentors will provide mentoring support  
face-to-face, by telephone, and/or by email.***

If you are interested in  
working with a physician mentor,  
write to us at  
[askbpnmd@health.nyc.gov](mailto:askbpnmd@health.nyc.gov)
