

Here to help you keep HIV patients on therapy **so they can keep living in the moment**

Dedicated to helping you address the unique healthcare needs of the HIV community. **Our passion is personal.**

Over 30 years of experience in HIV care

Providing a history of expertise, from establishing one of the nation's first HIV-specialized locations to building relationships with advocates

Pharmacists in your community who specialize in HIV care

Working closely with patients living with HIV as well as those with hepatitis C coinfection and other comorbidities

PrEP

Prevention education and access to PrEP at every HIV-specialized pharmacy

Offering resources for prevention education as well as risk reduction options, including PrEP—which is available at convenient locations, many of which are open 24 hours

Dedication to keeping patients' overall well-being at the heart of everything

Helping with more than just HIV medications by caring for the whole patient and ensuring adherence to the regimen you prescribe

Medication pickup and delivery options for greater convenience

Ensuring access to medication through pickup at the pharmacy or delivery to the home, workplace, healthcare facility or healthcare provider office

To make a referral for your Amida Care patients, see the other side for our HIV-specialized pharmacy locations. ►
