2023 NOTABLE LGBTQIA+ LEADERS

Doug Wirth

President and chief executive officer, Amida Care

As president and chief executive officer of the nonprofit Amida Care, Doug Wirth oversees the largest Medicaid Special Needs Health Plan in New York with \$500 million in annual premiums and more than 9,000 members. Under Wirth's leadership, Amida Care strengthened its comprehensive gender-affirming care for its 2,700 transgender or gender nonconforming members. He developed Amida Care's gender identity support team, which works with each member to help them access affirming care and services. Wirth is currently on the board of RCHN Community Health Foundation and co-chair of the board of the NEW Pride Agenda.
