PHYSICIAN DISPENSED DRUGS

Policy:

Providers must submit claims for outpatient medications dispensed in the office or outpatient clinic setting to members via the medical benefit (as a JCODE) or the claim will not adjudicate for reimbursement.

Procedure:

Practitioners must submit claims via medical benefit as a JCODE. Physicians should use the following JCODES for oral medications:

- J8999 – Rx Drug Oral Chemotherapy
- J8499– Rx Drug Oral Non-Chemotherapy

Claim must include the following:

- Provider NPI number
- National drug code (NDC) code of drug
- Number of units
