

**PARTICIPANTS WANTED  
FOR RESEARCH STUDY OF PERSPECTIVES ON  
WEIGHT CHANGE AND HIV MEDICATIONS**

The Brookdale Center for Healthy Aging at Hunter College, in collaboration with Amida Care Inc., is conducting a study of how people with HIV feel about changes to their weight due to starting or switching anti-retroviral therapy.

- You are eligible if you have HIV, you have taken or are currently taking anti-retroviral medication for HIV, and you are able to participate in an interview in English.
- Participation will take 90 minutes. You can participate in the study by telephone or a web-based meeting app (Zoom).
- You will receive a \$50 gift card as compensation for your time.

**If you are interested in participating, please contact our  
research staff at (646) 820-0835 or email
