- Initial appointment with a behavioral health care professional who is not employed by or contracted with an outpatient facility or clinic: 10 business days
- Follow-up visit after mental health/substance abuse emergency room (ER) or inpatient visit: 5 business days
- Non-urgent mental health or substance abuse visit: 5 business days

If you are unable to schedule a behavioral health appointment and if you submit a behavioral health access complaint, Carelon Behavioral Health, Inc. or Amida Care must provide you with the name and contact information of a provider that can treat your behavioral health condition. This information must be provided to you within three (3) business days after receiving your complaint.
